AT A GLANCE

GC Micro is a 100% small, minority and woman-owned firm. We are certified as a minority-owned business by the Northern California Minority Supplier Development Council and certified as a woman-owned business by the Women's Business Enterprise National Council.

GC Micro has over 25 years of award-winning experience providing IT hardware, software and related products to corporate and government accounts. **GC Micro** continues to receive recognition for consistently providing a proven track record of prompt and accurate delivery and customer service. We are proud that for the last three consecutive years, The Boeing Company has awarded **GC Micro** one of its highest distinctions, The Boeing Performance Excellence Award in recognition of our outstanding customer focus. **GC Micro** has also received Boeing's Outstanding Supplier Performance Award. Sandia National Laboratory has recognized **GC Micro** with their Outstanding Supplier of the Year Award, Just-In-Time Vendor of the Year, Just-In-Time Cost Savings Award, and Customer Focus Award. The Northern California Minority Supplier Development Council named **GC Micro** the Supplier of the Year Class III. **GC Micro** has been recognized numerous times by the Small Business Administration with the Administrator's Award of Excellence. As a continuing tribute to our customer excellence, Northrop Grumman awarded **GC Micro** their World Class Team Award.
